QUALIFICATION SYSTEM FOR XXIV OLYMPIC WINTER GAMES, BEIJING 2022

B.2 Maximum Number of Athletes per NOC:

For each gender, the overall quota per NOC will be restricted depending on the allocated NOC event quota places, as follows:

- Maximum 9 athletes for NOCs that have qualified for the Team Pursuit event and have also been allocated the maximum quota for all individual events for the respective gender.
- Maximum 8 athletes for NOCs that have qualified for the Team Pursuit event and have also been allocated one (1) or more quota places for all individual events for the respective gender.
- Maximum 7 athletes for other NOCs for the respective gender.

The total number of entered athletes per gender cannot exceed the highest number of quota places allocated to the NOC for one (1) of the events, plus the number of other events for which the NOC has been allocated at least one (1) quota place taking into consideration the above conditions.

As an example:

An NOC is allocated the following event quota places:

- Men's 500m – 3 start positions
- Men's 1000m – 2 start positions
- Men's 1500m – 1 start position
- Men's 5000m – 1 start position
- Men's 10000m – 1 start position
- Men's Mass Start – 1 start position

The highest number of event quota places is 3 (in Men's 500m) plus 5 other events having at least 1 athlete (1000m, 1500m, 5000m, 10000m and Mass Start). This brings the total to 8. Thus for quota allocation purposes:

- If the NOC also qualifies in the Men's team pursuit, the NOC can be allocated up to 8 Men quota places.
- If the NOC does not qualify in the Men's team pursuit, the NOC can be allocated up to 7 Men quota places.

B.2.2 NOC Event Specific Quota

Men's 5000m	3*	Women's 3000m	3*
Men's 10000m	2	Women's 5000m	2
Men's Mass Start	2	Women's Mass Start	2

*Further criteria for maximum quotas are described in Section D.2.

B.3 Type of Allocation of Quota Places:

Quota places are allocated to the NOC as allocation of event quota places, and this allocation sets a limit for the overall number of NOC quota places. The selection of athletes for its allocated quota places is at the discretion of the NOC subject to the eligibility requirements.
