**Section 8 · Third Party Identifications (athlete names)**

The athlete’s name must appear on the back of the shirt for all matches played in the Olympic Football Tournaments. The athlete’s name must correspond to the name indicated on the final list of players pursuant to the FIFA Regulations.

The colours used for the athlete’s name appearing on the shirt must be clearly legible and distinguishable by all athletes, the international technical officials, spectators and media from the colours used for the shirts. The distinction may be achieved by displaying the athlete’s name on a single-coloured patch. The athlete’s name may be surrounded by a border or shadow outline.

The letters used for the athlete’s name must be of the identical colours as the colours used for the number displayed on the back of the shirt.

The athlete’s name must be positioned above the number on the back of the shirt. The letters used for the athlete’s name shall be between 5 and 7.5cm in height and must be separated from the number by at least 4cm.

The number of the athlete must appear on the front of the shirt and shall be between 10 and 15cm in height for both men and women and on the back of the shirt between 25 to 35cm for men and 20 to 35cm for women. The athlete number must also appear on the front side of the shorts, positioned on either of the legs and have between 10 and 15cm in height.
