*All General Principles apply unless expressly mentioned otherwise above (in particular in relation to size, frequency, location or Sports Brand requirements).*

The riding jacket must only be a civilian outfit, with no association to military, armed forces, police or any other association of that kind.
Additional IF Specifications

The following IF technical requirements apply in relation to the General Guidelines:

Section 8 · Third Party Identifications (athlete names)

Fencing: Pentathletes must wear their surname (Latin characters) on the back of their fencing jacket in clearly legible text. Below the name, the NOC code must be featured. The letters must be printed in either black or dark blue capital letters and must be between 7 and 12cm high.

Swimming: For swim caps, the athlete’s name is permitted, printed on the same side as the national flag/NOC emblem or NOC code, and to a maximum size of 20cm².

Laser-Run: The pentathlete must wear a top with their name featured, and below the name the NOC code must be featured, measuring between 7 and 12cm high, and in a contrasting colour to their shirt.

Section 10 · NOC Emblems and National Identity

Fencing: Pentathletes must wear on their sleeve, on the non-sword arm and between the elbow and the shoulder, an armlet or printed measuring between 7 and 10cm high in their national colours or a strip in their national colours. Pentathletes are permitted to wear socks with a turnover displaying their national colours, measuring a maximum of 10cm high. Pentathletes must also wear their NOC code (in Latin characters) on the back of their fencing jacket. The NOC code must be featured below the name. Both below in clearly legible text in either black or dark blue capital letters. The letters must measure between 7 and 12cm high. No other NOC emblems are allowed on the fencing jacket.

Swimming: For swim caps, the flag/NOC emblem [●] or the NOC code will be permitted to a maximum size of 32cm².

Riding: All pentathletes must wear a riding jacket or riding uniform with a national insignia [●] (NOC emblem, flag, armlet or badge) of a size between 7 and 10cm high.

All General Principles apply unless expressly mentioned otherwise above (in particular in relation to size, frequency, location or Sports Brand requirements).

The riding jacket must only be a civilian outfit, with no association to military, armed forces, police or any other association of that kind.
Laser-Run: The pentathlete must wear a top with their name and NOC code clearly visible and professionally made on the back of their top. The NOC code must be featured below the name. The country code must be located below the athlete’s name and measure between 7 and 12cm high. It must also be in a contrasting colour to the shirt.

Section 12 · Homologation Marks

Fencing Epée: As per FIE and UIPM rules, a homologation mark must appear on all blades, under plastron, jackets, masks, and electric jackets, and include the Identification of the Manufacturer, the date of manufacturing and the FIE or UIPM logo. No additional identifications should appear with the above authorised homologation mark and Identification of the Manufacturer.

Swimsuit: As per FINA rules, all swimsuits shall bear the “FINA Approved” identification labels and follow the rules and procedures set forth in the FINA Requirements for Swimwear Approval (FRSA), as indicated in the sport specific table for Aquatics. If the swimsuit is in two pieces, each piece shall bear a label. The labels should be printed or affixed to the swimsuits in a manner ensuring that they cannot be removed without destroying the label (to prevent transfers).

Riding headgear: As per FEI rules, cross-country helmets must bear a homologation mark on the strap under chin, if required according to national regulations.

Laser pistol/container: A UIPM homologation mark is required on the laser pistol and container.

Section 17 · Submission Process

Pre-competition: An equipment control check for fencing equipment and laser pistol/containers is undertaken by UIPM at the training venues during Games-time.

During competition: A clothing check is undertaken by UIPM in the call room prior to entry onto the field of play.

All General Principles apply unless expressly mentioned otherwise above (in particular in relation to size, frequency, location or Sports Brand requirements).

The riding jacket must only be a civilian outfit, with no association to military, armed forces, police or any other association of that kind.
