Only those athletes who comply with the Olympic Charter may participate in the Olympic Games Tokyo 2020 (the "Olympic Games").
QUALIFICATION SYSTEM – GAMES OF THE XXXII OLYMPIAD – TOKYO 2020

Additional IF Eligibility Criteria:

To be eligible to participate in the Olympic Games, all athletes must:
- Be listed by name on the Olympic Golf Ranking at http://www.igfgolf.org/ as of the 22 June 2020 for men and 29 June 2020 for women or listed by name on the IGF Reallocation Reserve List.
- Be in good standing with their National Federation and the IGF.
- Be recognised or hold a valid license issued by his/her National Federation.

D. QUALIFICATION PATHWAY

QUALIFICATION PLACES

The Women’s and Men’s Competitions will each be comprised of exactly 60 athletes: 59 athletes qualified through the Olympic Golf Rankings (“OGR”) and 1 Host Country Place.

The OGR is sanctioned by the IGF and listed at igfgolf.org. The OGR is issued every Monday following completion of the previous week’s tournaments from around the world.

The Men’s OGR recognises official approved ranking tournaments on the Eligible Tours listed on this page: http://www.owgr.com/.

The Women’s OGR recognises official approved ranking tournaments on the following Tours: Australian Ladies Professional Golf (ALPG), China Ladies Professional Golf Association Tour (CLPGA), Korea Ladies Professional Golf Association (KLPGA), Ladies European Tour (LET), Ladies European Tour Access Series (LETAS), Ladies Professional Golf Association (LPGA), Ladies Professional Golfers’ Association of Japan (JLPGA), Ladies Professional Golfers’ Association of Japan Step-Up Tour (JLPGA), Symetra Tour, Chinese Taipei Ladies Professional Golf Association (TLPGA).

The OGR is calculated as follows: Each tournament earns a strength-of-field rating which determines how many ranking points will be awarded to top finishers. Points are awarded to players based on their finish positions in each event, with performances in stronger-field events earning more points in accordance with a points distribution table approved by the IGF.

Ranking points for each player accumulate over a two-year “rolling” period with the points awarded in the most recent 13-week period weighted at 100% of their original value. After the initial 13-week period, the points are devalued by 1.1% for each of the next 91 weeks before they drop entirely off the player’s two-year record. Each player is then ranked according to his/her average number of points over the applicable two-year period, which is determined by dividing the total number of ranking points she/he has earned by the number of tournaments in which she/he has played during that period. There is a minimum divisor of 35 events for the Women’s OGR over a two-year period. Whilst for the Men’s OGR, there is a minimum divisor of 40 events and a maximum divisor of 52 events played over the rolling two-year period.

OGR points to qualify for the Olympic Games, which are used to calculate the athlete’s average number of points and the athlete’s position on the OGR, can be earned during the period beginning 1 July 2018 and up to and including 22 June 2020 for the men’s OGR and 8 July 2018 and up to and including 29 June 2020 for the women’s OGR.

In the event of ties at any of the 60 starting positions, the ties will be broken by the following criteria, in order:
- Total Official World Golf Ranking points earned in the most recent 52-week period, ending with the Olympic Golf Ranking as of Monday 22 June 2020 for the men and Monday 29 June 2020 for the women.
- Total Official World Golf Ranking points earned in the most recent 13-week period, ending with the Olympic Golf Ranking as of Monday 22 June 2020 for the men and Monday 29 June 2020 for the women.

HOST COUNTRY PLACES

The Host Country is guaranteed at least one (1) athlete in each of the Women’s and Men’s Competitions respectively, only if it does not qualify any athlete through the Olympic Golf Rankings of 22 June 2020 for men and 29 June 2020 for women.

The athlete selected by name shall be the highest ranked athlete from the Host Country listed on the Olympic Golf Rankings. In the event there is no athlete from the Host Country listed on the Olympic Golf Rankings, the IGF will, in collaboration with the Host Country NOC, identify the athlete(s) to represent the Host Country.

E. CONFIRMATION PROCESS FOR QUOTA PLACES

The IGF will publish the current week’s Olympic Golf Ranking at http://www.igfgolf.org/ during the two-year qualification period prior to the qualification deadline. The qualification period will end on Monday 22 June 2020 for men and Monday 29 June 2020 for women and the IGF will publish the final Olympic Golf Rankings on (Tuesday 23 and 30 June 2020 respectively), following the conclusion of all eligible OGR events in the week immediately preceding.

Upon publication of the final Olympic Golf Rankings, the IGF will send the confirmation of the quota places obtained in accordance with the qualification criteria outlined in Section D above to the respective NOCs, no later than Tuesday 23 June 2020 for men and Tuesday 30 June 2020 for women at 17:00 US Eastern Time.
No later than Thursday 2 July 2020 at 17:00 US Eastern Time each NOC will confirm to the IGF the athlete places that they will use for each gender.

No later than Friday 3 July 2020 at 17:00 US Eastern Time will the IGF reallocate all unused quota places for each gender.

F. REALLOCATION OF UNUSED QUOTA PLACES

REALLOCATION OF UNUSED QUALIFICATION PLACES

If a quota place allocated is not confirmed by the NOC by the confirmation of quota place deadline or is declined by the NOC, it will be reallocated to the highest ranked athlete by name on the Olympic Golf Rankings of 22 June 2020 for men and 29 June 2020 for women not already qualified, and respecting the maximum quota per NOC per event.

No later than 3 July 2020 at 17:00 US Eastern Time, the IGF will reallocate all unused quota places for each gender.

After 3 July 2020, and the final reallocation of unused quota, IGF will only reallocate an already confirmed quota place if an athlete is withdrawn by his/her NOC. Such replacement will only occur where there are urgent medical conditions preventing participation of an athlete, or otherwise on a case-by-case basis for exceptional circumstances.

The reallocation in this case will be based on a Reallocation Reserve List (by event) that IGF will publish on (23 and 30 June 2020 respectively). The Reallocation Reserve List is based on a continuation of the Olympic Golf Rankings and is calculated using the exact same criteria as per the qualification process outlined in Section D above. Such list clearly outlines, should an athlete withdraw, the next highest ranked athlete by name on the Olympic Golf Rankings of 22 June 2020 for men and 29 June 2020 for women not already qualified and respecting the maximum quota per NOC per event.

In the interest of ensuring a full playing field, every effort shall be made by the IGF to fulfil all quota places. Necessary reallocations will be made up until the time of the IGF Technical Meetings on 29 July 2020 (men's competition) and 4 August 2020 (women's competition).

REALLOCATION OF UNUSED HOST COUNTRY PLACES

Unused Host Country Place(s) will be reallocated by name, to the highest ranked athlete by name on the Olympic Golf Rankings of 22 June 2020 for men and 29 June 2020 for women not already qualified and respecting the maximum quota per NOC per event, no later than Friday 3 July 2020 at 17:00 US Eastern Time.

After 3 July 2020, and the final reallocation of unused quota, reallocation will be based on the Reallocation Reserve List (by event) that IGF will publish as of 23 and 30 June 2020 respectively, as outlined in the section above.
